

# Placement of Ashes

Ashes can be placed in the Niche Walls or Memorial Gardens located at the following cemeteries:

- Arakoon
- Crescent Head
- East Kempsey
- Frederickton
- Kinki (Stuarts Point).

Purchase of positions can be made directly with Council.

# Deciding what is done with a loved one's ashes can be very hard

- Purchase of memorial positions is made at Council, then placement of ashes can be arranged through the local Funeral Directors.
- Each niche is sealed at the time of placement by a bronze plaque.

# CAN I PURCHASE A NICHE WALL MEMORIAL BEFORE IT IS NEEDED?

**Yes**

For those families wanting to ensure that they are able to memorialise adjacent to an existing family memorial, it is advisable to purchase the desired position concurrently with the first position.

When ashes of a loved one are kept with relatives, they can easily become misplaced or discarded through the years, as future generations may not feel a connection to the deceased.

# NICHE WALLS

A permanent site gives loved ones a physical place for visitation and reflection.

A permanent placement of ashes provides future generations with a location to visit when researching heritage
