FORTNIGHTLY RECYCLING SERVICES

Your 240ltr **YELLOW LIDDED** bin is for recycling and will be collected fortnightly on the same day as your waste bin.

Please refer to the details overleaf to determine if you are on the A or B week for your recycling service.

The enclosed calendar will then show on which days your recycling bin is emptied.

What CAN be Recycled

Your participation in the recycling service will result in saved landfill space, maximum recovery of resources and reduction in greenhouse gas emissions.

Only these items shown below can be placed in the recycling bin.

Newspaper, cardboard, office paper, magazines and junk mail

Glass bottles and jars (no lids please)

Juice and milk cartons

All plastic bottles and containers marked 1, 2, 3, 4, 5, 6, 7 (no lids please)

Steel and aluminium cans and empty aerosols

What CANT be Recycled

Please **do not** put the following items in the recycling bin as they contribute the load and can pose a threat to the safety and health of the sorting staff.

NO plastic bags or recyclables inside plastic bags

NO disposable nappies

NO garden waste

NO syringes or medical waste

NO general waste

NO ceramics, ovenware or light bulbs

- Take lids off all containers and drain out any liquids.
- Only items that have held non-hazardous materials can go in the recycling bin.
- Only place items from the kitchen, bathroom or laundry - never the garden shed or garage - in the recycling bin.
- Look for items in recyclable packaging when at the supermarket and look for ways of reusing items before placing them in the recycling bin.

An ongoing Recycling Bin Inspection Program is occurring. If you are found to be placing incorrect items in the recycling bin your bin will not be collected until the incorrect items have been removed.

WEEK A

Your recyclables will be collected fortnightly on the same day as your garbage service.

All you need to do is determine if you are Week A or Week B and put your new Recycling Bin out according to the above calendar.

WEEK B

Collection Information

Your mobile garbage bins should be placed:

- out the evening prior to collection.
 - on a flat surface, close to the kerb, in front of your property.
 - with the bins parallel with the road and wheels closest to your house.
 - clear of parked cars, trees and overhead obstructions.
- Please remember ~ if your bin goes out near other bins, please try and keep them 1 metre apart.
