

## **NOTICE OF MOTION**

8th February 2005

<b>NOM2</b>	<b>STREET LIGHTING SOUTH KEMPSEY INDUSTRIAL AREA FILE: * CLR JHB</b>
-------------	--

Notice is hereby given that I intend to move the following motion at the Ordinary Meeting of Kempsey Shire council scheduled for 8th February 2005.

*"That Country Energy be requested to provide a quote to improve the street lighting within the South Kempsey Industrial area".*

NOTES:

Matters such as street lighting, overgrown land and security lighting have been raised repeatedly within the South Kempsey industrial area.

Several years ago Council responded to concerns within the area by arranging with Country Energy to install additional lighting.

However, there continues to be concern with the brightness (or lack of it) of the lighting.

There is also an abundance of overgrown land in the area, some owned by Council.

Council must recognise the importance of the industrial area and support the call for improvements.

.....  
**Councillor J H Bowell**
