

## NOTICE OF MOTION

12th July 2005

<b>NOM2</b>	<b>LOCAL ROADS MAINTENANCE PROGRAMS</b>
	<b>FILE: * CLR JHB</b>

I hereby give notice that I intend to move the following motion at the ordinary meeting of Kempsey Shire council to be held on Tuesday 12th July 2005.

***"That Council commence workshop proposals to provide sustainable funding of at least \$1M per year for the next ten (10) years to address local roads maintenance programs."***

Notes:

Whilst there is urgent need for additional funding for the roads and bridge maintenance Council must be mindful of the ratepayers ability to pay increased rates.

There is undoubtedly the need for widespread reform of financing of local government, however in the mean time Council has to recognise the requirement to be more effective and efficient in prioritising, and indeed its performance, of the services provided.
