

NOTICE OF MOTION

12th July 2005

**NOM5 FIRE BUFFER ZONES AT SOUTH WEST ROCKS
FILE: * CLR R H McWILLIAM**

Notice is hereby given that I intend to move the following motion at the Ordinary meeting of Council scheduled for Tuesday, 12th July 2005.

“That a meeting be sought with the Minister for Emergency Services to discuss the proposed fire buffer zones for a nursing home at South West Rocks.”

NOTES:

With a crying out need for aged care facilities at South West Rocks and a provider willing to develop a three tier facility it would be disastrous to miss out on such a project due to losing 4 1/2 acres of land because of rural fire service guidelines.

When completed this facility would cater for all aspects of aged care as well as being the largest employer of local residents at South West Rocks. It is my intention to try and get the development classified as a "State Significant Development" thus taking away the need for R.F.S. approval.
