Notes:

In the event the above Rescission Motion is successful, it is intended to move the following Motion.

"That all Council fees associated with the development be waived a total of \$8,746.00."

REASON:

That this would be a success in providing additional services to our youth and a positive outcome to Goal 12 outlined in the Kempsey Shire's Social Plan, which states "Provide

youth with social support and positive directions to their time." The action outlines in this Goal is "If a child is suspended from school, provide supervision, tutoring and follow up." Kempsey Vocational College is one of the agencies identified by Council to carry out this function.
