I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 13th September 2005.

*"That a report be submitted to Council at the November meeting detailing anticipated financial savings and / or increased service provision as a result of resource sharing."*

.....

Notes:

At the meeting of Council on 8 March 2005 Clr McWilliam asked the General Manager to report on savings, and for an indication as to what the natural attrition rate of staff would be per annum, with resource sharing.

The networks established have been meeting since November 2004.
