

NOTICE OF MOTION

15th November 2005

NOM2	YOUTH INFORMATION AND REFERRAL CENTRE FILE: * CLR JHB
-------------	--

I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 15 November 2005.

"That a report be prepared on the alternative options of premises suitable for the development of a Youth Information and referral Centre and Youth Learning Centre, with particular emphasis on the Police and Community Club complex in South Kempsey."

NOTE:

With the development of the Police and Community Youth Club in South Kempsey the Premiers Department of the NSW Government provided funding on the basis that the complex was designed to accommodate services provided by the Government, such as those for youth.

Currently there are youth referral and learning opportunities and there is a co-operative approach to youth services with the Macleay Vocational College.

The undertaking with the provision of such services also attracted Commonwealth Government funding.

The building located at the northern end of the complex could be renovated and refurbished to enhance the requirements of the Youth Information and Referral Centre and the existing conference rooms within the main building could enhance the intentions of the Youth Learning Centre.

There is on-site parking for vehicles and consideration could be given to a Council vehicle such as the Kempsey Assistance Patrol vehicle being provided for transport to assist persons without cars.
