NOTES:

Resolution 2005.726 of 20th September 2005 was designed to shorten the length of the council meeting.

It was not intended to exclude matter from the business paper. There have been instances in the past where the recommendation 'information be noted' has not been acceptable to Council and a more appropriate resolution adopted. Councillors should have the opportunity to ask questions in respect to the matter so listed with amendments to the recommendation recorded in the minutes.
