FILE: 645 CLRS JHB JCG JACH { Folio No. * }**

Notice is hereby given that we intend to move the following Rescission Motion at the Ordinary Meeting of Kempsey Shire Council on Tuesday 11th April 2006.

That resolution number 2006. 195 from the Extraordinary Meeting held Tuesday 28th March 2006, as printed below;

"That the sewerage supply allocation for Other Renewals of \$349,300 be funded from section 64 revenue and that sewerage charges be increased by 3.6% for the 2006-2007 year and revenue raised be transferred to the augmentation reserve."

be rescinded.

In the event of this Rescission Motion being successful we intend to move the following;

That the Sewerage supply allocation for Other Renewals of \$349,300 be funded from section 64 revenue and there be no increase in current sewerage charges for the 2006 - 2007 year.

NOTE:

The Sewerage Fund Draft 3 year budget for 2006 / 2007 to 2008 / 2009 provides for the following amounts to be transferred to the West Kempsey Sewerage Treatment Works Replacement Reserve;

2006 / 07	\$610,000
2007 / 08	\$260,000
2008 / 09	\$330,000

which will total \$3,134,379 in this Reserve.

The proposed increase of 3.6% will add approximately \$18 to the total rate account for 2006 / 07 and the funds raised \$174,740 will be added to the above Reserve.

Whilst it is acknowledged that Council will be required to provide millions of dollars for future sewerage infrastructure the responsibility for the required loans must be shared by future generations by way of inter-generation equity.
