GENERAL MANAGER'S EXTRAORDINARY REPORT

12th September 2006

C5 STANDING AND SPECIAL COMMITTEES
FILE: 335 AVB

SUMMARY:

Clause 260 of the Local Government (General) Regulation 2005 provides that: -

"A council may, by resolution, establish such committees as it considers necessary."

Council's present arrangement is to have one (1) standing committee, being the Works Committee.

The Works Committee's function is to carry out inspections and determination of any Council related matters, other than matters that cannot be delegated by the Council in accordance with section 377 of the Act.

The following resolution would be appropriate if the present arrangements are to continue: -

- "1 That a Works Committee comprising the full Council be appointed for the purpose of carrying out inspections of any matters affecting the functions of Council, and that the Works Committee has delegated authority to determine matters, other than those matters that cannot be delegated by the Council under section 377 of the Act.*
- 2 That the quorum for any meeting of the Works Committee be five (5) members.*
- 3 That Works Committee meetings and inspections be held on a needs basis as determined by Council or the Mayor."*
