

DIRECTOR SHIRE SERVICES REPORT

18th July 2006

DSS6 CRESCENT HEAD FISH CLEANING TABLE
FILE: 911 (324908) NJT {Folio No. *}

SUMMARY:

Reporting on advice received from the NSW Department of Primary Industries regarding a grant to replace the Crescent Head Fish Cleaning Table.

DESCRIPTION:

The NSW Department of Primary Industries has notified Council that it has been successful in obtaining funding of \$5,000 in 2006 / 07 from the Recreational Fishing Trust to replace the existing fish cleaning table that is in disrepair and inadequate for present needs.

The Crescent Head Fishing Club contacted both Council and the Recreational Fishing Trust to initiate the proposal. Council submitted the application on behalf of the fishing club.

It is proposed to erect a standard 3 tap cleaning table, connect water and construct a disposal system to remove wastes. The Crescent Head Blue Water Fishing Club will provide in-kind contribution.

REPORT IMPLICATIONS:

- ***Environmental Implications***

The environmental implications from the following recommendation are that a cleaner and more environmentally safer disposal system will be implemented.

- ***Social Implications***

Social implications from this report are that improved fishing facilities will be provided for the benefit of the community.

- *Economic (Financial) Implications*

There are no financial implications from the following recommendation.

- *Policy or Statutory Implications*

There are no policy or statutory implications.

- *Director's Review*

As per report.

RECOMMENDATION:

That the grant of \$5,000 from the Recreational Fishing Trust to replace the Crescent Head fishing table be accepted.
