

MAYORAL SUPPLEMENTARY MINUTE

8th May 2007

MM6	REPORT ON NATIONAL FINANCIAL STABILITY STUDY
SUPP	FILE: 579 EAG {Folio No. *}

SUMMARY:

Letter and copy of Price Waterhouse Cooper Report on National Financial Sustainability Study of Local Government from LGSA.

◆◆◆◆◆

DESCRIPTION

This Report is being discussed and quoted in many areas of Government, at all levels. I would recommend that all Councillors become familiar with it.

The covering letter [Appendix B – Page A4](#) identifies what has been achieved to date and requests that all Local Government Councillors becomes involved in pursuing the issues especially in the lead up to the coming Federal Election.

The particular issue which the letter addressed is about 'Fair Funding'

REPORT IMPLICATIONS:

- *Environmental*

Could lead to increased funding for environmental programmes

- *Social*

Increased funding would enable additional programmes to be undertaken to improve social cohesion and wellbeing.

- *Economic (Financial)*

Would enable additional funding to be pursued / obtained to meet the increasing needs of the Shire.

- *Policy or Statutory:*

May result in policy changes at Federal and State levels

RECOMMENDATION:

That the information be noted
