

NOTICE OF MOTION

8th May 2007

NOM3	KEMPSEY AIRPORT	{ Folio No. * }
	FILE: 415 CLR JHB	

I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 8th May 2007.

"That a report be submitted to Council detailing the present position and future proposals in respect to the development of Kempsey Airport."

NOTES:

The Airport Advisory Committee was disbanded after a meeting on 10 March 2005 following the receipt of nine (9) Expressions of Interest including outright purchase of the site, development of a Residential Airpark, Youth Education events, Motorsport based events and undertaking day to day maintenance of the site.

At that time it was resolved:-

- That the Committee suggest Council retain the Airport as an operational aerodrome.
- That the Economic Development Manager follow up on Expressions of Interest that relate to development on the site, to further determine that they are prepared to advance on their proposals.
- That applicants for the construction of hangars be invited to formalise their request.
- That submissions relating to periodic usage of the airstrip for special events be referred to the Director Shire Services for assessment under the Councils' Events Policy.

The Kempsey Airport Investigation Plan (July 2006) was prepared through the Macleay Development and Promotion Board.
