	FILE: 264 APC

SUMMARY:

Reporting on the joint tender for the supply of Ready Mix Concrete for participating Council's under the Mid North Coast Group of Council's Alliance.

A report was presented to Council at its meeting of the 16 January 2007 in respect of the joint tender which was facilitated by the Hunter Council's on behalf of the Mid North Coast Group of Council's for the supply of ready mix concrete for a two year period commencing January 2007.

Council concurred with the recommendation that the tender be awarded as follows:

Zone 1	Boral Resources
Zones 2-4	Kancon Concrete

Hunter Council's have advised that Kempsey Shire Council would benefit by accepting all tenders for all zones thus enabling Council to continue to access the optimum pricing and ensuring that in any instance where the preferred supplier is unable to supply the alternate suppliers pricing is fixed.

It is noted that in the evaluation of the tenders the variation in pricing between the two tenders was minor in nature.
