SUMMARY:

Request from Mid Lachlan Alliance of Councils to support their submission to the State and Federal Governments for Drought relief.

DESCRIPTION:

Full document is attached as [Appendix B](#)

REPORT IMPLICATIONS:

• *Environmental:*

For the Drought stricken areas this would assist the residents to survive and also help reduce additional damage to the environments in their respective areas.

• *Social:*

Not relevant to our area but would assist individuals and communities affected by the severe drought to survive.

• *Economic (Financial)*

See Social.

• *Policy or Statutory:*

Nil

RECOMMENDATION:

1. That Council gives written support for the submissions.
2. That the matter be referred to Midgoc and LGSA executive for their support (if not already provided).
3. That a copy of the request be forwarded to both our Federal and State representatives.
