Shire Council

NOTICE OF MOTION

3rd February 2009

NOM3	ALGA NEWS ELECTRONIC	
	FILE: 210 AVB (NRN)	{ Folio No. * }

I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 3rd February 2009.

"That Council investigate the possibility of having the "ALGA News" emailed out to councillors in place of the hard copy currently being received, for those councillors who would like to receive it electronically."

NOTE:

Currently Councillors receive the NSW Local Government & Shires Association news electronically and the Australian Local Government New in hard copy. It would appear that Council receives an electronic copy (see attached [Appendix A - Page D1](#)) and then forwards hard copy to each Councillor. It would save time and paper if it was emailed directly.

MOTION IMPLICATIONS:

- ***Environmental***

This would save paper which over time would reduce the number of trees required to provide information to councillors.

- ***Social***

Nil

- ***Economic (Financial)***

It would be a small reduction in staff time required to forward information to councillors

- ***Policy or Statutory***

Nil
