SUMMARY:

Reporting on the federal government local council regional infrastructure grant.

◆◆◆◆◆

On the 11 August 2009 council was provided a report which outlined current grant funding available and identified the following projects for the federal government local council regional infrastructure grant of \$234,000.

- a. \$160,000 for major renovations for the Kempsey library, these include new roof, ceiling and upgrade to the children's area.
- b. \$74,000 for street furniture to complete Elbow Street upgrades.

This information was noted by council. Council is now requested to resolve that the above projects are put forward as suitable projects for this funding.
