13 October 2009

<b>NOM1</b>	<b>REVIEW OF OUTSOURCED WATER METER READING CONTRACT</b>
	<b>FILE: T2008-005 COPY: 275 BJM {Folio No. *} }</b>

I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 13 October 2009.

- 1. That Council review the contract for the provision of water meter reading services prior to its expiry on 29 July 2010.**
- 2. That a review of Council's current tendering policies which result in lost job opportunities for local people be undertaken.**

### **MOTION IMPLICATIONS:**

- ***Environmental***

*Nil*

- ***Social***

*Following review of the current contract which outsources Kempsey Shire Council water meter reading jobs to Sydney workers, Council may decide that those jobs will be made available to employ local people.*

- ***Economic (Financial)***

*A cost benefit analysis, with particular regard to the negative social and economic impacts of Shire-wide high unemployment rates may demonstrate that the decision to outsource local jobs was not in the overall best interests of the community of the Kempsey LGA.*

- ***Policy or Statutory***

*Council may determine that a review of current tendering policies, which through outsourcing, results in lost job opportunities for local people, is warranted.*
