

## NOTICE OF MOTION

2 February 2010

<b>NOM7</b>	<b>KEMPSEY AIRPORT</b>
<b>FILE: 183</b>	<b>KEO {Folio No. *}</b>

I hereby give notice that I intend to move the following motion at the Ordinary meeting of Kempsey Shire Council to be held on Tuesday, 2 February 2010.

***"That the General Manager investigate and report back to Council, at the March 2010 Ordinary meeting, the person/s involved and the circumstances under which the Administrator of Port Macquarie-Hastings Council was led to believe that Kempsey Airport was closing."***

### NOTE:

It was brought to my attention immediately following the December 2009 Council meeting that the Administrator of Port Macquarie-Hastings Council was of the firm belief that Kempsey Airport was closing. This matter had not been discussed by Council and at no time was it flagged other than an option for investigation, which was not acceptable to the community, nor to Council as a whole. The administrator was regarding the matter as a *fait accompli*. Where and from whom did this impression come?

### **MOTION IMPLICATIONS:**

- ***Environmental***

*Nil*

- ***Social***

*Increases the community's concerns re Kempsey Airport's future. Creates and contributes to an erroneous impression which adds to the poor image which surrounds the whole issue.*

- ***Economic (Financial)***

*Could lead to lost economic opportunities from business and/or persons looking to relocate to the Kempsey Airport complex.*

- ***Policy or Statutory***

*Nil*
