HAT HEAD HOLIDAY PARK PUBLIC RESERVE

Dear Mr Smith

On behalf of the Hat Head Community Group I would like to thank Kempsey Shire Council staff for the time and thought taken in replying to submissions concerning Hat Head Park Management Plans.

Could you please pass on the following:

At the Hat Head Community Group meeting held on April 23 members requested that Council please consider one member from our Community Group be included in the soon-to-be appointed Caravan Park Committee as a point of reference between Council and the Community. This is proposed in view of the close relationship between community and the park/public reserve, i.e.; the community is a principal stakeholder equal to any other.

Yours sincerely

Sandra Bourn JP
Hon. Secretary
