**Date:** Friday, 25 June 2021 9:10:26 AM

---

As a local business owner I would like to oppose a half day holiday.  
In previous years when there has been a show holiday the town dies after 12 o'clock. But my understanding is that the show itself is barely better attended during the daylight hours on that day compared to years when there was no holiday.  
We cannot afford to ask businesses to pay staff and loose turnover for this event.  
The show society should be fighting for a Friday Saturday or Sunday Monday event to see better attendance.
