Complete a Covid-19 Safety Plan and register as a COVID Safe business

**Visit** <https://www.nsw.gov.au/covid-19/covid-safe-businesses> to download information

**Consult** <https://www.nsw.gov.au/covid-19/what-you-can-and-cant-do-under-rules> for updated changes to the rules

**Follow these 3 easy steps:**

## Complete a COVID-19 Safety Plan

COVID-19 Safety Plans help to protect your staff, customers and visitors as you get back to business.

There are different plans for different industries, and they all provide advice on:

- Hygiene and safety
- Physical distancing
- Recording contact details of staff and customers
- Staff well being

When you're completing your plan, consult with your staff, and share it with them when it's done.

## Register as a COVID Safe Business

As a COVID Safe business, you'll be able to show customers that you're committed to keeping them safe. Customers will also be able to provide feedback in real-time.

You can register on line after you have completed your COVID-19 Safety Plan.

When you register you'll get:

- Digital COVID Safe badge for use on Google and social channels
- Posters on safety and hygiene
- Reports on how your customers rate your business safety.

Registering your premises is optional and comes with obligations. You'll need a COVID Safety plan to register.

If you have completed your COVID-19 Safety Plan, you can register at:

## Show that you're COVID Safe

The final step is showing that you're doing your part to keep our community COVID safe:

- Download and display your COVID Safe posters and make customers feel confident
- Consider using contactless methods for collecting customer details
- Share your completed COVID-19 Safety Plan with your staff to ensure their well being
- Display your COVID Safe badge on your digital and social channels
- Train new workers to act in a COVID Safe way
- Keep your plan up to date when there are changes to the rules

Customers can visit the URL in the posters to provide feedback on how your business is providing a COVID Safe environment.
