25/06/2019	Ordinary Council Meeting - 25 June 2019	9.1	Kempsey Airport - Noise Management Plan and Fly Neighbourly Advice	Commenced	<p>1. That Council acknowledge that the Airport has been operating in its current location being Sherwood Road, Aldavilla since 1936.</p> <p>2. That Council acknowledge that it has a responsibility to manage the Airport as a valuable community asset to the benefit of the entire Shire.</p> <p>3. That Council note the submissions received during the 12-week public exhibition period in relation to the draft Noise Management Plan (NMP) / Fly Neighbourly Advice (FNA) and the responses provided by The Airport Group and Council. That they be notified of the outcome in writing.</p> <p>4. That Council note the amendments made by The Airport Group between the draft NMP/FNA and final NMP/FNA as a result of:</p> <p>a. community feedback gained through the public submission process; and</p> <p>b. the Office of Airspace Regulation's submission on the draft NMP/FNA.</p> <p>5. That Council adopt the Kempsey Airport NMP dated June 2019 subject to the following recommendations.</p> <p>6. That Council proceed with the finalisation of the Fly Neighbourly Advice and:</p> <p>a. Place the draft FNA on public exhibition for 28 days; and</p> <p>b. Present the finalised FNA to a future Council meeting for consideration and adoption.</p> <p>7. That prior to executing any agreement negotiated by Council staff with a pilot training operator to undertake circuit training at Kempsey Airport, a report to Council is presented:</p> <p>a. Demonstrating that an overall community benefit is achieved utilising the Quadruple Bottom Line assessment methodology as outlined in this report including appropriate environmental (including noise), social, financial and economic impacts; and</p> <p>b. With Council resolving to endorse the agreement.</p> <p>8. That in the event a Development Application is submitted to Council involving a commercial pilot training operator undertaking circuit training activities within the Kempsey Shire then Council shall notify residences and business within a 5km radius of the airport in writing of the proposed development. For any such development application, Council as the landowner and operator of the Airport will undertake a Quadruple Bottom Line assessment as outlined in this report including appropriate environmental (including noise), social, financial and economic impacts.</p> <p>9. That Council make a request to CASA/Airservices Australia for an En-Route Supplement Australia (ERSA) entry for Kempsey Airport to be made detailing the Noise Abatement Procedures relating to circuit training as follows:</p> <p>a. Local Aircraft Operators - Hours of Operation as follows:</p> <p>i. Monday - Friday (other than Public Holidays)</p> <p>1. 07:00 - 19:00 Australian Eastern Standard Time</p> <p>2. 07:00 - 22:00 Australian Eastern Daylight Savings Time</p> <p>ii. 					<p>iii. Sunday (Other than Public Holidays)</p> <p>1. 09:00 - 18:00 all year round</p> <p>iv. New South Wales Public Holidays</p> <p>1. 09:00 - 18:00, with the exception of Christmas Day.</p> <p>b. Visiting Aircraft Operators - Hours of Operation as follows:</p> <p>i. Monday - Friday (other than Public Holidays)</p> <p>1. 08:00 - 19:00 all year round.</p> <p>ii. Saturday - Sunday (Other than Public Holidays)</p> <p>1. Nil hours. None permitted on weekends.</p> <p>iii. New South Wales Public Holidays</p> <p>1. Nil hours. None permitted on public holidays in NSW.</p> <p>c. Aircraft are required to climb to 1000 (preferred) or 500 feet above the aerodrome elevation prior to making the turn into the circuit, subject to consultation with CASA</p> <p>d. Transponders are to be turned on and operated in accordance with CAAP 166-01 V4.2 for all operations.</p> <p>e. Engine ground runs and run-ups should be kept to the minimum time operationally required.</p> <p>Note: the above proposed ERSA considerations are subject to feedback and consultation with CASA and may be altered in future. These considerations may also be subject to a risk assessment process prior to implementation.</p> <p>10. That Council's strategic planning activities are strengthened with the aim to minimise conflict between incompatible land uses surrounding the Airport and ensure that permissible uses are compatible with aviation activities and subsequent identified development standards are reflected in the Local Environmental Plan (LEP) and Development Control Plan (DCP).</p> <p>11. That Council resolve to notate on section 10.7 planning certificates:</p> <p>a. for s10.7.2 - the applicable ANEF contour overlay constraints, as included in the planning scheme; and</p> <p>b. for s10.7.5 - the same as the s10.7.2 and, if applicable, a notation identifying the linear distance to the boundary of the airport land if it is within 5 kilometres.</p> <p>12. That Council resolve to develop a draft Airport Master Plan, inclusive of ANEF contours which will be used to inform Council's land-use planning instruments and present this to a future Council meeting for consideration prior to public exhibition.</p> <p>13. That Council note that once ANEF contours are developed (in conjunction with an Airport Master Plan for Kempsey Airport) and adopted, clause 7.8 of the LEP regarding development in areas subject to aircraft noise would have effect. That in the interim that Council informs the proponent of any development application within 5 km of the airport that there is a potential noise impact that needs to be further investigated or considered.</p> <p>14. That Council acknowledge the involvement of the Kempsey Airport Reference Group (KARG) in the development of the NMP and that in accordance with the KARG Terms of Reference that after finalisation of the FNA KARG has fulfilled the role, is thanked for its service and is disbanded.</p>		<p>8.
