

Free Workshop - Effectively Supervising your Apprentice or Trainee

Workplace supervisors are in a key position to maximise the success of training and therefore ensure the supply of skilled staff for the future. There are limited numbers for this FREE 4 hour workshop - May 17th at Kempsey RSL Club

It will cover:

- How to effectively supervise and coach apprentices and trainees
- The importance of building effective communication and relationships with your apprentice or trainee in the workplace
- Practical ideas to help prevent and address workplace bullying and harassment issues
- Training Services NSW - who are we and how can we support you and your apprentice or trainees?

Did you know your business can recycle batteries?

B-cycle keeps batteries out of landfill, so less toxic materials end up in our ecosystem. Reusing the materials in every battery means that we need to mine less from the earth, and can conserve our natural resources.

Drop off point at the **Kempsey Shire Council Crescent Head Road waste facility**.
