

Councillor Expenses and Facilities Policy - Quarterly Report on the Payment of Expenses

In accordance with Council's adopted Councillor Fees and Expenses Policies detailed reports on the provision of expenses and facilities to Councillors will be publicly tabled at a council meeting every three months and published in full on council's website.

The Annual Cap shown below is the total cap of each category of expense annually. The Columns labelled Actual Q1 through to Actual Q4 represent the total amount of expenditure incurred or reimbursed within that category. Where no expenditure has been incurred or reimbursed in a given quarter the amount is zero, where that quarter has not yet closed the cell is blank.
